Effective Leadership

Training Module

Duration: 3 hrs (A.M. or P.M.)

Delivery Methods: Microsoft Teams / Face-to-face

Who Is This Training For?

- Existing and aspiring leaders or managers **at all levels**
- Any team member wanting to improve their knowledge and understanding of what effective leadership looks like, and wanting to take positive steps to better leadership
- Any leader or manager wanting better results, more productive, happy teams, and to increase their own future prospects

Course Description

Do you find it difficult to take your team where you'd like them to go? Have you never thought about where you'd like to take them in terms of success? Are you wanting to change your style, but don't really know where to begin?

If you have answered **yes** to any of those questions, then this training opportunity is for you.

The aims of this course are:

- Develop a clear understanding of the difference between leadership and management
- To understand there are many interchangeable leadership styles, and leadership is more fluid than you think
- Develop a clearer picture about the type of leader you are, and the type of leader you **want to be**
- Develop wider organisational issues that can act as barriers to effective leadership, especially resource deployment
- Take a brief look at some different project management styles to consider as possibilities moving forward

Benefits Of Attending

- You will have a clearer understanding of what quality leadership looks like
 - You will be able to effectively model this and inspire your team members
 - You will be better positioned to move between leadership styles when undertaking your leadership duties
 - You will be more prepared to plan effectively to avoid barriers to progress
 - Your inter- and intra-personal skills will improve
 - Better outcomes for all stakeholders
